Child Wellbeing & Protection Guidance

There may be times when you have a concern about the wellbeing of a child or young person, or the conduct of an adult, but it does not seem immediately dangerous or intentionally harmful. However, there is always a risk that it can escalate and become a serious concern.

It is important that all concerns, no matter how small they seem, are reported to the club's Child Wellbeing and Protection Officer. Failing to report concerns can result in children and young people being at an increased risk of harm or may allow abuse to continue.

Cambusdoon Football Club has a **Record of Concern Form** which should be used to report such concerns or incidents.

Complete the form with as much information as possible, this should include:

- Date, time and location of incident/concern
- The child or young person's exact words or views if these have been expressed to you
- Details of any witnesses or other people involved

Record only the facts – not your opinion

Sign and date the form and email to the CWPO

NO PHOTOS OF ANY INJURIES OR BRUISING SHOULD BE TAKEN BY ADULTS WORKING OR VOLUNTEERING IN SCOTTISH FOOTBALL
